New swimming festival makes big splash

The first of the new Aquasplash festivals was launched at Bedale Leisure Centre on 27th November with schools from the Bedale Cluster invited. The festival which incorporated 5 different activities including float races, water polo, tug of war and other relays gave an opportunity to all pupils to work hard and have fun in the water.

Over 130 pupils from 6 schools took part across the morning with teams from each school(and some mixed schools) competing against each other in the activities.

A huge thank you must go to the Staff at Bedale Leisure Centre who hosted and organised the event and the young leaders, all of whom gave up a day off to come and help at the event.

Half Term Round up

Wensleydale Cluster Netball

On Friday 13th of November, schools from Wensleydale took part in a netball Festival. Bainbridge and Hawes schools each entered a team and three teams from Leyburn also played. All the teams played four matches and lots of parents turned up to support their team. The students from Wensleydale Secondary School were very helpful to all the children.

Leyburn B won the competition, with Leyburn A coming second and Bainbridge came third. Leyburn B team will now go to the Netball finals next year.

Well done to all the teams who took part.

Multi Skills Festivals

A huge thank you and congratulations to all the KS1 pupils, staff and parent helpers who attended the recent cluster Multi Skill Festivals.

418 KS1 pupils participated in the festivals which were held at the local high school sport facilities. The KS1 pupils participated in a variety of multi skill activity stations where throwing, jumping and running skills were challenged.

The effort and enthusiasm of the pupils was fantastic and a big thank you also goes to all the Young Leaders from the hosting high schools for their commitment and leadership during the festivals.

Many thanks and see you in the New Year!
